

## TITLE 2800-MINERALS AND GEOLOGY

2821.04 - RESPONSIBILITY

District Rangers are designated as authorized officers for the issuance and administration of prospecting permits, Form FS 2800-1.

This delegation includes authority to the District Rangers to approve the associated Environmental Assessment. This delegated authority is not further redelegable.

Rangers, in issuing permits for prospecting, are responsible for complying with all laws regulations and policies pertaining to such actions. All permits must be in accordance with FSM 2821.
